Whig & Chronicle.

Enoxylle Whig Established 1810.

WEDNESDAY, NOV 17, 1875,

--- The Republicans carried fortysix counties in New York and the Democra s fourteen.

-The official returns from Iowa show that Kirkwo d, Republican candidate for Governor, was elected by 31,745 majority.

There are seventy-two counties in Kansas. In the late election the Republicans carried sixty nine of them and the Democrats only three.

-The prithmetic man of the Demceratic party is at work on the Presidential outlook. He figures a tie in the Electoral College. This is too close. Try again.

--If the Nashville American could only get the Government credit down to its standard as shown in the price of Tennessee bonds, how happy it would feel. What a barvest there would then be for the rings!

--- It is now said that the new Democratic Legislature of Mississippi will impeach Governor Ames. They will only follow in the footsteps of their Tennessee brethren, if they proceed at once to get rid of every Republican office-holder in the State.

-Senstor Kernan, of New York, who is a Catholic, in a recent speech, took occasion to say that the Roman Catholic Clergy are wrong in objecting to the public schools. Whereupon the Freeman's Journal, a leading Catholic paper, expresses regret that it ever supported him for United States Senator.

-Zach Chandler has removed the Chief Clerk in the Appointment Office of his Department, for taking care of his mother-in-law. He was carrying her name on the pay-rolls, without requiring any service from her save that of drawing her monthly pay. It does not appear that he didn't perform even that trifling service for her. How

-The Boston Pilot, in an article on working for the church, takes the ground that a Catholic voter should not east his ballot at the dictation of a prot Priest, nor should be drag his church into politics. The Pilot is high authority in the Catholic church, and its teachings are directly opposite to those of Father Henning, of St. Louis, and the Freeman's Journal.

-The Chattanooga Times disclaims being the organ of Senator Key. We never believed that Senator Key had or desired an organ. But our information is that the Senator goes as far in favor of hone-t money as the 19105 Times does. But we wouldn't tell the Nashville American so. It has enough to bear already. We will, however, give it asour opinion, that Key doesn't think of resigning.

For The Bloodis the Life."

See Deuteronomy, xii;23. The blood being the source from which the system is built up, and from which we derive our mental as well as physical capabilities, how important that it should be kept pure! If it contain vile, festering poisons, all organic functions become enfeetied, Settling upon important organs, as the lungs, liver, and kidneys, the effect is most disastrous. Hence it behooves, all to disastrous. Hence it behooves all to keep their blood in a perfectly healthy condition, and more especially does this apply at this particular season of the year than at any other. No matter what the exciting cause may be the real cause of a large proportion of all diseases is bad blood. Now, Dr. Pierce does not wish to place his Golden Medical Discovery in the catalogue of quack patent nosirums, by recommending it to cure every ase, nor does he so recommend it; on the contrary, there are hundreds of diseases that he acknowledges it will not cure: but what he does claim is this, that there is but one form of blood disease that it will not cure, and that disease is cancer. He does not recommend his Discovery for that disease, yet he knows it to be the most searching blood-cleanser yet discover-ed, and that it will free the blood and system of all other blood poisons, be they animal, vegetable, or mineral. The Golden Medical Discovery is tourranted by him to cure the worst forms of Skin Diseaser, as all forms of forms of Skin Diseases, as all forms of Blotches, Pimples, and Eruptions; also sil Giandular Swellings, and the worst form of Scrofulous and Ulcerat-ed Sores of the Neck, Legs, or other parts, and all Scrofulous Diseases of the Bones, as White Swellings, Fever Sores, Hip-joint and Spinal Diseases, —all of which belong to Scrofulous diseases.

CONFIRMED. - HIP-JOINT DISEASE W. GROVE STATION, Iowa.

Dr. Pierce, Buffalo, N. Y.:

Dour Sir—My wife first became lame
nine years ago. Swellings would appear and disappear on her hip, and was gradually becoming reduced and her whole system rotten with disease. In 1871, a swelling broke on her hip, discharging large quantities, and since that time there are several openings. Have had five doctors, at an expense of \$125, who say nothing will do any good but a surgical opera-

July 16, 1873, he writes thus: My has certainly received a great benefit from the use of your Discovery for she was not able to get off the bec and was not expected to live a week She has been doing most of her twenty bottles, and still using it. Her recovery is considered as simost a miracle, and we attribute it all to be use of your valuable medicine. cheerfully recommend it as a bloodpurifier and strength re-
